CANAVES OIA SUITES

PANORAMA BALCONY AT CANAVES OIA SUITES

Room booking requirements:

No rooms are needed to be booked in order to have a wedding at our Panorama balcony.

Booking a room is always something we recommend especially for couple's pre & wedding day, as it is the most convenient to every bride's preparation to be done in the same area where the wedding is also going to be held, avoiding additional stress, transfers, delays etc.
